J. Ferm, LLC Opens Swedish Office

(COLUMBUS, OH) – J. Ferm, LLC, a leadership and organizational development firm offering coaching, consulting, training and assessment initiatives, recently opened an office in Göteborg, Sweden. The company also operates offices in Boston, Massachusetts and Columbus, Ohio.

“Several of our clients are in Europe, and we expect that segment to continue to grow, so a European office made sense,” said Jessika Ferm, founder and principal of J. Ferm, LLC. A native of Göteborg, Sweden, Ferm selected Sweden as her base of European operations from a cultural and growth potential standpoint. “We are active in Swedish-American organizations and offer services that can help Swedish companies more easily do business with American companies,” she said.

The firm offers comprehensive leadership and executive development products, such as telecourses, workshops, assessments and keynote speaking.

J. Ferm, LLC was founded in 2002. Clients of the company include Pitney Bowes, UBS Financial Services, L.E.K. Consulting, Inc., and Kempinski Hotels and Resorts. Jessika Ferm is a Professionally Certified Coach (PCC) and holds numerous certifications in the fields of behaviors, values and leadership development. Further information about J. Ferm is available at (614) 441-8972 or at www.jferm.com.
